The Construction, Character & Use of the Bible

SECTION FIRST.

1.—Give four classifications of names by which the Bible describes itself, with examples of each ?

2.—Give number of books in Old Testament. Also in New Testament ?

3.—Give the number of writers, and time occupied in writing the Bible ?

4.—Give the classification of books whose number is five, in Old and New Testaments.
Give the classification whose number is 12 ?
How many epistles did Paul write ?
How many General Epistles are there ?

SECTION SECOND.

1.—What are the two important elements that make up the Word of God ? Give an illustration of them ?

2.—What term is used to describe the character of Bible facts ?

3.—What term is used to describe the writers of the Bible ?

4.—What is said to have been done for the writers in their work ?

SECTION THIRD.

1.—Define what is meant by the study of the Bible for spiritual profit ?

2.—What did we define the Bible to be, as between God and man ?

3.—Give four periods of immediate contact between God and man, and the manner of them ?

4.—At which of these periods does spiritual profit become possible ?

5.—Give some of the considerations upon which spiritual profit depends ?

6.—Give four examples setting forth that the Bible is a present voice to man ?

7.—Give four forms in which the Word as truth is presented to man ?

8.—Give five places in which the Bible is to be used, and how used in each ?

9.—Give four terms that describe the manner in which the Bible is to be used ?

10.—Give four conclusions that follow from the Bible being so used ?

11.—Name some of the ends to be sought in our use of the Bible ?
